2020 IEEE the 11th International Conference on Software Engineering and Service Science

ICSESS 2020

🏛 Conference location
Beijing, China

🗓 Conference date
October 16~18, 2020

⚠ Submission dead line
May 31, 2020

2020 the 11th International Conference on Software Engineering and Service Science (ICSESS 2020) will be held on October 16-18, 2020 in Beijing, China. This conference is sponsored by IEEE and IEEE Beijing Section. The conference will bring together the top researchers from Asian Pacific nations, North America, Europe and around the world to exchange their research results and address open issues. It is one of the leading international conferences for presenting novel and fundamental advances in the fields of new generation artificial intelligence, Internet of things, system model and algorithm, software engineering and blockchain technology and systems.

📄 CALL FOR PAPERS

The conference is soliciting state-of-the-art research papers on, but not limited to, the following topics:

- Blockchain technology and systems
- Big data and intelligent computing
- Software engineering
- Computer science and system
- Model and algorithm
- Service sciences
- Computer network and application technology
- Web information systems and applications
- Artificial intelligence and expert systems
- Database system and application
- E-government
- E-business and E-commerce

To see all of sub topics, please visit the following link: http://www.icsess.org/cfp.html .

⚠ NOTICE OF SUBMISSION

ⓘ All papers should be written in English, and no less than 4 pages (≥4) in length. Please follow the conference's format on the page of http://www.icsess.org/submission.html .

ⓘ All papers should be submitted online for review to IEEE ICSESS 2020.
Please refer to https://easychair.org/conferences/?conf=icsess2020 for more information.

ⓘ Submission deadline: May 31th, 2020. Acceptance notification: June 15th, 2020.
